Cubetractor is a fast paced, single player puzzle game for the PC and mobile device. Taking inspiration from Dark Souls, Cubetractor places you in the role of a cube traversing a hazardous 3d maze while dodging dangerous obstacles and enemies. The cube can rotate and spin in any direction as you dodge, stun, dash or run your way around the maze-like environments. Perform any number of moves to cross gaps, deal damage, break locked doors, collect reward cubes, grab and boost items or collect powerups to unlock new abilities. Key Features: - 8-bit pixelated graphics inspired by the classic N64 game CubeSniper - Unique room design based on an 8-bit game from the N64 era - Unusual gameplay and procedurally generated levels - Single player mode with normal or hardcore mode of increasing difficulty - Xbox 360 controller support - Single player, multiplayer and cooperative local co-op and hotseat multiplayer modes over LAN - Local and online leaderboards - Network play support for up to 8 local players - Split-screen multiplayer (up to 4 players) - Xbox 360 controller support and local co-op or split-screen multiplayer - Google Play integration for Android and Android tablet devices - Two exclusive CTF modes on PC - In-game asynchronous voice chat (over MP3, G.711 or A.2) and online text chat - Steam leaderboard integration and achievements - Steam cloud save support for local co-op and split-screen - Free to play (web browser based)Q: How to write a custom \_\_setattr\_\_ for a C-style class in Python 2.7? In a language like C you can overload the \_\_setattr\_\_ (method) to enable some functionality. For example if I want a tuple to automatically be treated as a list, i.e.: class MyTuple(tuple): def \_\_setattr\_\_(self, key, value): if isinstance(value, list): self[key] = value else: super().\_\_setattr\_\_(key, value) I'd want to be able to do something like this in python: >>> class MyTuple(t

The Story After a terrible event that claimed the life of her mother, Illya (a gifted young girl with healing powers), sets out on a quest to understand her mysterious gift, as well as learn to control and use it. While exploring the forest one day, Illya meets a lone werewolf (a powerful and dangerous hunter) who guides her through dangerous wilderness. Werewolves are extremely rare, and only one in every hundred bear the power of the "wolf within". Illya begins to learn how to control and harness this power. Not only does Illya find herself surrounded by these new powers, she also finds out that she is destined to save the world from a mysterious force. Gameplay In Threads of Destiny, the player takes on the role of Illya, a young girl who has been given a mysterious gift by the forest's powerful inhabitants. An evil force has taken control of her village, and it is up to Illya to save the world from this evil, and learn to use her power to do so. As the player follows Illya's story, the world begins to crumble as evil begins to take over. and the Township of Cottesloe A recent Dominion Water report was not very encouraging to residents of the Seaside area of Cottesloe. It stated that the big rains seen this year may not mean a settled spell. The underground supplies are in good shape, it says, but the summer roughness is well entrenched. A considerable proportion of the electricity was used up by the (summer) bingo and fireworks parties. The [power] station admitted that the heavy use in midwinter would be fairly hard, to put it mildly, from them. They [the power company] would like this [major cutback in summer power for parties] to stop. More drinking and all that, and they would gladly produce more. Those Litter Pots One was given to the recreation ground of Cottesloe last year after the Easter bushfires. The Council are considering cleaning up beachfront packs, on Bark Mill Beach, and chase people farther down the beach. There have been a few complaints from outsiders, who consider it dirty. Were they hot enough for you? You will be singing 'o'er the hills of summertime' if you have been following the Byway readings. Kg Thayapians have relinquished Beyer Street, at the junction with Sport Street, North behind the BP Station. Just a few memorial benches, in memory of a family. Bertha M. Finnigan, the distinguished pianist, was elected secretary of the Local Council last night. You will be able to hear the little birds quite clearly this morning, after Mrs Albert Chamberlain, the lady who handles the piano, discovered that someone had smashed all the silver fish forks from the piano. After an exhaustive search, she found them lodged up in a hefty jug of Londonderry Water. No one seemed to know how they got there. Mrs Sinnott Tuesday paid a surprise visit to town. Turning into Brunswick Street, she found it totally deserted. She left her blue-painted Triumph to turn in the direction of her own home, partly down Park Street and partly down the foreshore, along the old single standing buildings. The rest of the afternoon, she had to search for gates which were politely opened by the good Mrs

The Dragon Age franchise is without a doubt one of the most exciting and interesting RPG series on the market. This franchise has seen numerous incredible games over the years. From Baldur's Gate, Baldur's Gate 2, and Icewind Dale, this franchise has definitely proven itself. There is no question about it, this game is definitely one of the best RPG's out there. EA has decided to release a DLC pack for the game, which is the bonus chapters. This is a series of fantastic stories that are included in this DLC pack. These stories are all about a group of characters that we've all seen before. Some of them are a band of heroes and other are villains. The game begins with a scene in which we are seeing Alec light and toss a torch into a large room, which is soon to be destroyed. He throws the torch in and runs out of the room. He soon meets up with a character by the name of Alistair. He finds out that he is in this large room by an unknown force. Soon we see that the room goes up in flames and Alec and Alistair run through the room. They run out of the room and into an alley. Soon a cart rolls through the alley and destroys everything in the area. The next chapter begins in a bar where one of the protagonists, Alistair is with the rest of the leaders, Jullain, Selene, and Brustek. Soon we are made to believe that the time of the Dragon has come and we are going to see a large dragon in this bar. We see the dragon slowly stand up, taking a large breath, then crashing down on the ground. An all-out war begins and the bar is soon destroyed. Soon a large explosion goes off and the bar collapses in on itself and the leader are missing. Chapter Three: The Collapse We are now seeing that the leader of this group of heroes are missing and Alec is knocking down on the door, soon realizing that nobody is answering. He soon decides to head inside to see what is going on. Inside the room he sees a scene and witnesses a party of people meeting the leader and the leaders' deaths. He decides to head outside and see where the leader's bodies are to see if Alec is part of this group. He meets up with a men who is supposed to be what was killing the heroes. The man in question is the leader of the villains and the leader of this scene. He realizes that these
